<input type="checkbox"/> Jr. Swim Club	Tues/Thurs	11:30-12:00am	7/12, 19, 26, 8/2

CLASS DESCRIPTIONS

Guppy - Child is seeking more confidence in the water. In this level we learn to dunk head underwater, basic floats, and swimming with assistance. Parent must accompany child in the water.

Trout - Child can float and doggie paddle with some assistance and must be comfortable being underwater. This level is for improving and solidifying basic swimming skills. Parent must accompany child in the water.

Pike - Child must be able to float, and swim above and below water without any assistance. This level is for improving technique and gaining confidence in deep water.

Jr. Swim Club - Swim club is for swimmers who have the skills of a Pike (feel free to check with Recreation Director for criteria) but looking to perfect their swimming technique, learn new skills and water safety.

The descriptions are suggestions for placement. To ensure safety, the final placement will be determined by one of the Lifeguards. A Lifeguard will contact you prior to class. All age groups must have a parent/guardian in attendance during class. Please return your registration form to the Recreation Office or Lifeguard Office. These classes are not Red Cross certified. Classes will take place weather permitting.
