Summer Swim Classes

July 9 through August 7

___ Guppy	Monday	11:00-11:30am
___ Trout	Monday	10:00-11:00am
___ Pike	Tuesday	10:00-11:00am

Guppy - Child is seeking more confidence in the water. In this level we learn to dunk head underwater, basic floats, and swimming with assistance. Parent must accompany child in the water.

Trout - Child can float and doggie paddle with some assistance and must be comfortable being underwater. This level is for improving and solidifying basic swimming skills.

Pike - Child must be able to float, and swim above and below water without any assistance. This level is for improving technique and gaining confidence in deep water.

The descriptions are suggestions for placement. To ensure safety, the final placement will be determined by the Head Lifeguard. The Head Lifeguard will contact you prior to class. All age groups must have a parent/guardian in attendance during class. These classes are not Red Cross certified.

Please return your registration form to the Recreation Director.
